

PRESS RELEASE

Notice of Solicitation for Improved Offers

Cagliari, August 7, 2026

As part of the negotiated crisis resolution procedure initiated on March 1, 2026, and designated by INEG Nos. 0000008168, 0000008111, and 0000008220, Tessellis S.p.A., Tiscali Italia S.p.A., and GO Internet S.p.A. ("GO Internet"), respectively, under the supervision of the Expert appointed on March 12, 2026, Attorney Massimo Zappalà (the "Expert"), have launched a competitive procedure aimed at: (i) the acquisition of GO Internet's B2C business unit related to fixed network connectivity activities (FTTH and FTTC), including the network infrastructure underlying the "L2" contracts and the FWA segment (the "Perimeter D"); or (ii) the acquisition of GO Internet's B2C business unit related to fixed network connectivity activities (FTTH and FTTC), including the network infrastructure underlying the "L2" contracts (the "Perimeter D.1"); and/or (iii) the acquisition of GO Internet's B2C business unit related only to the FWA segment (the "Perimeter D.2").

Irrevocable offers are therefore required by 11:59 PM on September 9, 2026.

Irrevocable offers must include a commitment to purchase one of the areas listed in paragraph 1 of the invitation to tender, or the sub-area specifically identified, with an indication of the price offered for the stipulation of the relevant sales contract. If they refer to Area D or Area D.1, they must be priced above €220,000.00 (two hundred and twenty thousand euros).

To receive the full invitation to tender containing the terms and conditions for participating in the competitive procedure and to consult the documentation in the data room, requests can be sent jointly to the certified email addresses lucajeantet@pec.ordineavvocatorino.it and lucreziagrassi@ordineavvocatiroma.org, with a copy to the certified email address massimo.zappala@pec.it.
