

PRESS RELEASE**Tessellis S.p.A.: Published the document presenting the results as of December 31, 2022**

Cagliari, May 12, 2023

Tessellis S.p.A. ("Tessellis" or the "Company") announces that the presentation of the FY 2022 results illustrated this morning to shareholders and to the financial community is available on its website www.tessellis.it.

The presentation also includes certain forecasts set out in the 2023-2026 Plan, which has been updated by the Board of Directors at the same time as the approval of the 2022 budget, to take into account the results achieved during the year, which have become "actual," as well as to extend the forecasts to the 2026 financial year, an annuity not considered in the plan approved on July 8, 2022. Revenues for 2026 are expected to be euro 400+mln (vs. euro 261 mln in 2022) coming 60% from consumer telco services and 40% from new segments under development, and an adj. EBITDA of euro 100+mln (vs. euro 50 mln in 2022).

In light of the above, the forecast figures released to the market previously are to be considered outdated.
